## 7. COMPANY OVERVIEW

**Prisan Control pvt ltd, Pune** is located at Shindewadi, Bhor near mumbai bangalore. This company was founded on 10th April 2011 by Mr.Sanjay Jaunjale. They started the company within a 10/10 cubicle and now they have expanded it to 10,000 sqft long. Along with 35 members on board and outsourced resources of 10-15 members. Prisan control Produces control panel and provided Power solutions they have Major 12 Product such as Main Lt panels, MCC panels, APFC panels etc. The Company works on Excellent Policies and defined roles and targets for everyone. Each and every person right from the owner to the Sweepers respect their workplace and strive hard to give their best for the growth of the company. Few policies that we could counter were the Goals Sheet Printed and pasted on everyone's desk for motivation. A theme based board system where the Staff was divided into IPL base teams for teamwork. Few other good things that we noticed were the transparency and knowledge base between the managing director and the entire staff. This company is an excellent example of good teamwork and loyalty towards the company.

## 8. EXECUTIVE SUMMARY

We reached the Company by 13:00pm on 15<sup>th</sup> feb 2021. We were told to wait in the waiting room until Neha maam could finish a meeting and attend us. We were welcomed by the Prisan team in the conference room. We then narrated the algorithm of the program and asked for suggestions we finalized the flow with the Prisan team. We started the virtual visited by a introductory note presented from Prof. Sachin wadekar followed with the felicitation of Mr. Sanjay jaunjale with a floral booky and a gift, welcome speech was given by Mr. Sanjay jaunjale and the mice were
