5. Landscaping with trees and plants

Options:

- A. Any 4 or All of the above
- B. Any 3 of the above
- C. Any 2 of the above
- D. Any 1 of the above
- E. None of the above

Response: A. Any 4 or All of the Above

At ZIMCA, we are committed towards promoting environment-friendly practices at ZES campus. We have designed our entire campus to be green and conducive, providing students a positive learning environment. We have also given importance to promote the health and wellbeing of our students by introducing physical activities programs to prepare the students for healthy lifestyle.

The Institute is practicing following steps to contribute towards adoption of Green campus:

1. Use of Bicycles/Battery powered vehicles-

Bicycles is an eco-friendly mode to commute and to promote the same Institute encourages the use of bicycle by organizing 'World Bicycle Day' every year which helps in creating awareness for pollution free campus, minimizing traffic problems and encourage fuel-saving. Institute stakeholders living in the vicinity area of the institute always prefer to ride the bicycle or come by walking to the campus.

2. Pedestrian-friendly pathways:

Institute has pedestrian-friendly footpaths surrounded by full of trees.

4. Green Landscaping with trees and plants:

The entire ZES campus has landscaped with green lawn and shady trees making the campus green and pollution-free which enriches a good educational environment. Also institute creates awareness about pollution-free environment and the green campus by engaging activities like Swachh Bharat Abhiyan, Eco-friendly Ganesh Visarjan etc.
