guest to world record holder Mr. Om Mahajan 17 th years old. They had shared their experiences and struggle with us. They had shared how many problems they faced during setting the world record They had said that they set the world record by continues cycling for 22hrs in a day. They also ride bicycle from Kanyakumari to Jammu Kashmir. They also inspired the young generation by saying that to set record we have to turn impossible things into possible then and then only we become winner. In today's era lot of youth are wasting their time on mobile, enjoyment but he set the record in such small age this is very honourable and great thing for us.
