

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institution assesses the learning levels of the students and organizes special Programmes for advanced learners

The 2022 Summer Batch of Nusantara Project with publication opportunities

In this project, advanced learners have been joined the Global Virtual Team and collaborate with other students from different universities in Indonesia to manage a consulting company. Students are expected to advise the real companies in Asia addressing some of the issues that challenge the growth of their business. This working experience provides students with real-world skills through a “feel, taste and touch” oriented process where students as a team work for businesses on a specific oriented project.

Schedule (tentative):
April 2022- June 2022

Outcomes and Benefits:

1. Publication paper that will be published in our journals indexed in DOAJ, Google Scholar, PKP index and Copernicus, Neliti, CrossREF (DOI)
2. Internship opportunity to Indonesia companies and overseas.
3. Acknowledgment Certificate from Well-known Business Association (AIBPM)

The benefits of the project for learning process are:

1. Enhance your students learning in IB and management
2. Gain real experience to be a consultant for Asia Company.
3. Learn about the business culture in Asia especially Indonesia
4. Networking with companies and institutions in Indonesia
5. Skills acknowledgement from the partner company in Indonesia and Asia countries
6. Research platform and collaboration using the data in the project

The institution assesses the learning levels of the students and organizes special Programmes for slow learners

Institute provides the remedial classes' for slow learners who need special guidance from the teachers. The remedial classes specifically focus on the topics that have already been taught in the class; the same topics are repeated and explained again in the remedial classes for the students who have difficulty in understanding them easily.
