For the Academic year 2023-24**

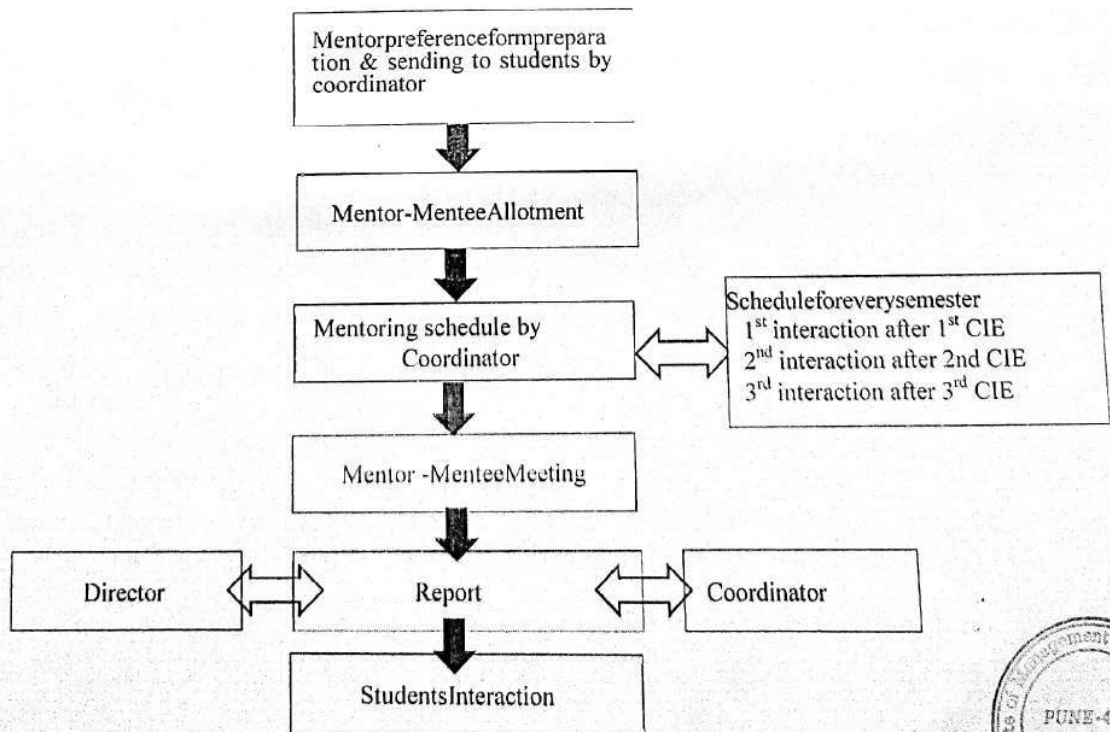

ZIMCA-3-F-5-64

**Mentoring system to help at individual levels.**

**i. Details of mentoring system:**

- In the Mentor-mentee system, Students are allotted a mentor based on the preferences of students as well as approach ability/ personality of both involved- mentor and mentee. Each mentor maintains a Mentee profile with all details like parent's name, addresses, contact numbers, academic details, and academic scores. Along with self-analysis of student. Faculty Guardians counsel the students individually to improve their progress in the different areas like aspirations related to academics, inter-personal problems, career plans and other grievances.
- All Faculty mentors encourage the students' participation in extra-curricular, co-curricular and other professional activities, along with the curricular guidance which motivates them and stimulates their growth and support in transforming them as employable.

**ii. Flow Chart of Student Mentoring System:**

III. Description of mentoring system:

1. **Professional guidance:** Mentor guides mentees in number of areas and issues like
  - **Employability empowerment by Skill Building:** Guardian helpsto mentee to empower their development and learning skills through attending hands on training programs, technical workshops etc. Industry based training via mini and major projects is offered to students so as to enhance their chances of employability.
  - **Research & Review Publication:** Guardian faculty encourage mentee to upgrade their overall knowledge through active contribution to publish research articles, review, and technical papers in journals, National and International conferences.
  - **Industrial projects:** By catering needs of industry live projects assigned to students to know the realtime experience and understand the expectations of the industry and making them familiar with the working culture & nature of the IT industry and mold them as per IT industry ready.
- 2 **Academic guidance:** Mentor guides mentees in number of areas and issues like
  - To secure good score in SPPU Exams: With student centric teaching and in a few cases, handhold teaching methodologies, all potential students are supported meticulously to make them competent enough to earn appreciable results.
  - Assist to slow learners: Guardian faculty in coordination with course coordinator give more focus on academically slow learners, by providing them model questions along with solutions, additional reading materials and extra classes.
- 3 **Career advancement:** Mentor guides mentees in number of areas and issues like
  - Value added training programs: Students undergone vigorous training & Certification programs such as Coursera, Udemy to increase the job opportunities in corporate.

- TRPCell guidance: Guardian faculty in coordination with Training & Placement Cell helps students by providing Career Guidance and other Training apart from arranging campus recruitment drives.

#### 4 Holistic development:

- Support and encouragement towards universal development through participation in social, cultural and sports activities which helps to ripen decision making abilities, leadership qualities, team structure building, and shapes their lives into rationally cohesive personality. Guardian faculties to counseling to reinforce social relationships thereby improving their attitude and ethics.

#### III. Usefulness of Mentoring system:

The Mentoring system proved to be effective by number of parameters:

- Student's involvement in class activity & Attendance: Considerably Improved
- Involvement of students in the co-curricular and Extra-curricular activities: Amended
- Self-Confidence Self-Esteem of mentee: Some of the decisive deliverables chronicled by institute includes developed capacity to appear in job interviews, talking in public, making demonstrations etc.

#### ➤ Students' triumphs:

Initiate growth in students' placement in fabled companies such as Wipro, Infosys, Capgemini, TCS and so on. Mentees write technical papers and participate in conferences.

For the Academic year 2023-24**

ZIMCA-3-F-5-64

**Mentoring system to help at individual levels.**

**i. Details of mentoring system:**

- In the Mentor-mentee system, Students are allotted a mentor based on the preferences of students as well as approach ability/ personality of both involved- mentor and mentee. Each mentor maintains a Mentee profile with all details like parent's name, addresses, contact numbers, academic details, and academic scores. Along with self-analysis of student. Faculty Guardians counsel the students individually to improve their progress in the different areas like aspirations related to academics, inter-personal problems, career plans and other grievances.
- All Faculty mentors encourage the students' participation in extra-curricular, co-curricular and other professional activities, along with the curricular guidance which motivates them and stimulates their growth and support in transforming them as employable.

**ii. Flow Chart of Student Mentoring System:**

III. Description of mentoring system:

1. **Professional guidance:** Mentor guides mentees in number of areas and issues like
  - **Employability empowerment by Skill Building:** Guardian helpsto mentee to empower their development and learning skills through attending hands on training programs, technical workshops etc. Industry based training via mini and major projects is offered to students so as to enhance their chances of employability.
  - **Research & Review Publication:** Guardian faculty encourage mentee to upgrade their overall knowledge through active contribution to publish research articles, review, and technical papers in journals, National and International conferences.
  - **Industrial projects:** By catering needs of industry live projects assigned to students to know the realtime experience and understand the expectations of the industry and making them familiar with the working culture & nature of the IT industry and mold them as per IT industry ready.
- 2 **Academic guidance:** Mentor guides mentees in number of areas and issues like
  - To secure good score in SPPU Exams: With student centric teaching and in a few cases, handhold teaching methodologies, all potential students are supported meticulously to make them competent enough to earn appreciable results.
  - Assist to slow learners: Guardian faculty in coordination with course coordinator give more focus on academically slow learners, by providing them model questions along with solutions, additional reading materials and extra classes.
- 3 **Career advancement:** Mentor guides mentees in number of areas and issues like
  - Value added training programs: Students undergone vigorous training & Certification programs such as Coursera, Udemy to increase the job opportunities in corporate.

- TRPCell guidance: Guardian faculty in coordination with Training & Placement Cell helps students by providing Career Guidance and other Training apart from arranging campus recruitment drives.

#### 4 Holistic development:

- Support and encouragement towards universal development through participation in social, cultural and sports activities which helps to ripen decision making abilities, leadership qualities, team structure building, and shapes their lives into rationally cohesive personality. Guardian faculties to counseling to reinforce social relationships thereby improving their attitude and ethics.

#### III. Usefulness of Mentoring system:

The Mentoring system proved to be effective by number of parameters:

- Student's involvement in class activity & Attendance: Considerably Improved
- Involvement of students in the co-curricular and Extra-curricular activities: Amended
- Self-Confidence Self-Esteem of mentee: Some of the decisive deliverables chronicled by institute includes developed capacity to appear in job interviews, talking in public, making demonstrations etc.

#### ➤ Students' triumphs:

Initiate growth in students' placement in fabled companies such as Wipro, Infosys, Capgemini, TCS and so on. Mentees write technical papers and participate in conferences.
