

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

ICTs provide a variety of tools to support and facilitate a teacher's professional competence. ICTs transform teaching and helps teachers to be more efficient and effective, thereby increasing their interests in teaching. The use of ICTs can assist in the organization and the structure of the course and course materials, thereby promoting rethinking and revision of the curriculum. This helps students to carry out more independent work and gives the teacher more time to focus on teaching higher-level concepts in the classroom. ICTs provide teachers with opportunities for experimenting with emerging technologies, thereby aiding in the provision of interesting and creative presentation of content. In ZIMCA all computers are connected with LAN and internet using CAT6 cables. It gives a wealth of information via connectivity of 250 Mbps to the entire. The institute has a Wi-Fi campus providing a 24x7 internet facility. Wi-Fi enabled you, enjoy the internet irrespective of where you are on the campus. Institute has licensed Antivirus. All the classrooms, seminar hall and board room are equipped with LCD projectors. Institute has ERP software. Library is automated with Autolib NG Software.

Institute has Digital Library facility with e-resources like EBSCO, J-Gate. The Institute is member of National Digital Library – NDL. Institute has computerized its financial records with Tally software. Institute has website and uses social media websites like Facebook, Twitter, etc.
