Research Cell   Director, ZIMCA   **Head Management Programme**

A REPORT ON
FDP ON "EFFECTIVE RESEARCH PAPER WRITING AND PUBLICATION STRATEGIES"
ACADEMIC YEAR 2023-24

Course Title	Centre for Research & Consultancy
Event Type	Co-Curricular Activity
Participant	All the faculties of MBA & MCA
Venue	Conference Hall, Ground Floor, ZIBACAR
Day & Date	Saturday, 16th September 2023.
Time	2:30-05:30 p.m.

Objectives:

- To equip participants with skills to identify research gaps and design effective methodologies.

- To train faculty in structuring, drafting, and refining high-quality research papers.

- To provide insights into journal selection, peer review, and publication processes.

- To promote ethical research practices and ensure plagiarism prevention..

Description:

This Faculty Development Program on **"Effective Research Paper Writing and Publication Strategies"** aims to empower faculty with the necessary skills and knowledge to enhance their research and publishing capabilities. It focuses on identifying research gaps, designing robust methodologies, and crafting well-structured research papers. Participants will gain insights into journal selection, peer review processes, and strategies to increase publication success. The program also emphasizes ethical research practices and the importance of academic integrity.

Outcomes:

1. Participants will be able to identify research gaps and formulate well-defined research objectives.

2. Participants will acquire the skills to write and structure high-quality research papers effectively.

3. Participants will understand the journal selection process, peer review dynamics, and publication strategies.

4. Participants will adopt ethical research practices, including plagiarism prevention and adherence to publication standards.
